

Dear,

NEW WEBSITE

We worked hard in the last couple of months to modernize our website. The new international.pte.hu is designed to help our partners, applicants, and students to find all the information easily.

Check out the new website and tell us what you think!

Visit the new website

Application is now open!

ADMISSION INFORMATION

Application is now open to most programs in Pécs. Check out the [list of study programs](#), or [book a meeting with us](#) for further information.

HIGHLIGHTED PROGRAM – BIOMEDICAL ENGINEERING MSC

The aim of the program is to train engineers who have interdisciplinary theoretical and practical knowledge and skills, complementing their basic knowledge of engineering, IT, medical and health sciences.

HIGHLIGHTED PROGRAM - BUSINESS ADMINISTRATION BSC

The Business Administration and Management BSc program gained EPAS EFMD Accreditation and joined the elite group of international business programs.

HIGHLIGHTED PROGRAM - CLINICAL LABORATORY SCIENCE MSC

The aim of the master's degree program is to train clinical laboratory research professionals who are familiar with the general and specific rules and requirements of clinical research and are capable of actively conducting clinical research in practice.

New visual identity - Package for designers

With the new website, we also put together an info package for your designers, so you can use the right logos, colors, and samples when you create content about Us. Click on the link below to check out the new visual identity elements.
